

Dear Friend in the Business Community,

**Sacred Heart High School has been in the Education Business since 1927.** Like many of you, we at Sacred Heart High School strive to create and supply a superior product that serves the needs of members in our home community. Like others of you, we also seek to provide a very important service that has not only an immediate positive impact on an individual but just as importantly a far-reaching influence that benefits our entire community at large. For over 80 years, we have been merchants of hope and brokers of dreams to thousands of young men and women who have been entrusted to us as our students. Sacred Heart High School has and continues to be the cornerstone of academic excellence in our community upon which many of our most prominent business, educational, and civic leaders have built their success.

**Sacred Heart High School graduates can be found in key leadership and service roles in every sector of community life throughout South Jersey.** Many of the health professionals, civil servants, business owners, bankers, educators, and clergy that you trust and rely upon are all Sacred Heart High School graduates. I would venture to say that even if you personally did not attend our school, not a day goes by *that most-- if not all of you--* somehow benefit from the fruits of labor at Sacred Heart High. **Sacred Heart** has reason to be proud of its past graduates and we certainly are. We are also excited about our *future* generation of students. We want to be able to continue to offer our students a superior academic curriculum that is infused with an ethical and spiritual morality that support family and community values but **we need your help** to do so.

**Please review the enclosed flyer and consider partnering with us as a Business or Corporate Patron of Sacred Heart High School.** As a Patron you receive **year round advertisement and endorsement through Sacred Heart High School to all of its extended alumni, students, families, friends and fans.** Additionally, your financial support will help provide protect and build the legacy of Sacred Heart High School while insuring that the invaluable community asset that Sacred Heart High School Alumni have been to our home community for the last 80 years continues for the next 80 years. In helping Sacred Heart High School educate yet another generation of responsible, contributing members of society will only help our local community and all who live and work here.

**Thank you for your personal attention and professional consideration of this matter.** We hope that in these difficult financial times for all of us especially many of our students and their families who struggle to meet tuition costs, you will be able to **make a tax deductible donation however big or small to help Sacred Heart High School** and in turn all who benefit from its educational contributions to our home community. A member of the Sacred Heart High School Loyal Lions Fundraising Team will personally contact you in the near future to thank you for your donation or to engage your questions and concerns as a potential donor. May God bless you and reward your generosity.

With Hope & Faith,

Anne Hartman, Assistant Principal /Advancement Director

on behalf of the Sacred Heart High School Community
