

New Courses for 2009-2010 School Year

Piano and Music Theory

This course is designed to teach students at all levels of musical keyboard abilities, new and/or additional performance skills and techniques. It will also instruct the student in music theory as it pertains to music in general. **Each student is required to have a 61 key keyboard and individual ear buds.**

Voice and Chorus

This course is designed to teach students of all levels of vocal ability, new or additional performance skills and techniques in solo and choral singing.

World Religions

This course is designed to introduce students to the world's major religious traditions in order to gain a better understanding of the people, teachings, religious principles and rituals of each of these religions in contemporary society.
