

Sacred Heart High School
SAT/ACT Prep Courses
July 26th - August 19th

The current economic challenges faced by many Americans makes one fact very clear: parents and educators must raise our sons and daughters to be more financially affluent members of society. The faculty of the math department, here at Sacred Heart, believes that this can be achieved while also **enriching the mathematical skills and abilities** that our young students have learned, thus far. Each session will include 2 hours of SAT/ACT prep work and 1 hour of real-world application activities.

Session 1

Dates: July 26th - July 29th

Time: 10AM - 2PM

Cost: \$160

Application Activity: *Income and Budget Building* - Students will be able to define a **family income**, and apply this knowledge to writing **short-term, long-term, and annual budgets**.

Session 2

Dates: August 2nd - August 5th

Time: 10AM - 2PM

Cost: \$160

Household Expenses and Maintenance - Students will be able to define some common household expenses, and apply this knowledge to a **successful grocery shopping trip and challenging home improvement project**.

Special - Take both sessions for \$270!
