

# **Senior Theology ~ Living Your Faith**

## **COURSE OBJECTIVE**

The purpose of this advanced-level course is to expand on the theological principles learned previously and find ways to implement them in the world today. There is an in depth study of Catholic Social Teachings, Discernment of Vocation and the Theological aspects of the Human Relationships.

## **COMPETENCIES**

1. To know the main issues of Catholic Social Justice.
2. To gain a basic understanding of the effects of Catholic Social teaching on the world.
3. To foster the discernment process for their future lives.
4. To initiate comprehension of the significance of the human being as a gift from God.
5. To develop a global understanding of their role in society.

## **CONTENT OUTLINE**

This course outline will come from the following text: Catholic Social Teaching ~ Pennock, Marriage and Holy Orders ~ Amodei. The Bible and Catechism are sighted throughout the text and will be used in a complementary fashion with the text as well as for independent study. Students will be expected to also have a general knowledge of current events and how they will affect society as a whole.

## **EVALUATION STRATEGIES**

1. Objective and subjective testing and quizzes
2. Reports and research topic papers
3. Class projects
4. Homework
5. Class Participation

## **INSTRUCTIONAL METHODOLOGIES**

1. Lecture
2. Small & Large group discussion
3. Directed reading
4. Research notes
5. Structured experiences
  - a. Skits
