SACRED HEART HIGH SCHOOL

January 24, 2012

Dear Parent/Guardian:

I would like to express my sincere gratitude for parent and student support since the announcement of our school closing. The rally on Friday night demonstrated undying support through the decades of Sacred Heart High School's existence. Since this announcement, there have been efforts within our school community to keep our school open, stabilized and sustainable for future years. I want to assure our parents and students that our goal is to continue to provide a quality Catholic education for all of our students.

Please continue to support our efforts as we continue to communicate and update you as plans develop. Please feel free to call if you have any questions. Keep our school family in your thoughts and prayers. Our faith in the lord will help guide us in the right direction.

Sincerely,

A handwritten signature in cursive script that reads "Diane Tucker".

Diane Tucker
Principal
